Vivekananda College

269, Diamond Harbour Road, Thakurpukur, Kolkata- 700 063

Vivekananda College has the unique distinction of having its own art gallery PARICHAY complemented by a sculpture garden adjoining it. The art gallery has been in operation since 2019, initiated by a college-organised exhibition of paintings. This event showcased contributions from both students and teachers. The paintings, which were also available for purchase, attracted numerous admirers who expressed their appreciation by acquiring multiple pieces.

The exhibition was also a marker of how an educational institution can extend its horizon beyond the classroom to bring out the potential creativity of the students as well as teachers and give them a recognition of their innovative selves. The students, in particular, were overwhelmed with the opportunity of displaying their talents which the classroom can seldom provide. Such endeavours give them a direction and purpose for exploring new ways of pursuing a career and the college successfully laid the first stepping stone for most of them.

However, due to COVID, the gallery had to remain non-functional for a long period though the desire to revive it was never too far away. In 2023 another exhibition was organised and as was expected, it proved to be a grand success. The gallery will now be open for use for those who wish to avail it from outside too, with a nominal charge of Rs.2000 per day. Situated on Diamond Harbour Road, it is an ideal platform for holding exhibitions and seminars and promises to provide a rewarding and fulfilling experience for those who choose to utilise it.
