

Teachers' Council

Secretary: Dr. Amal Kumar Patra

Teachers' Council is a statutory body in all higher educational institutions. Teachers are the only members of this council. The Principal or Teacher-In-Charge acts as the Chair person of the council. Different committees, cells and clubs are formed with the help of Teachers' Council where members are selected from amongst the teachers. It takes responsibility of quality assurance at the level of teaching, learning and evaluation. Apart from that, the Teachers' Council supervises the appropriate designing and implementation of the planning like admission, academic calendar, examination, research, cultural activities, sports etc. to maintain a healthy academic ambience. Teachers' Council of our college has some unique features. It organizes and participates in some social activities at every academic session.
