THE BEST OF PRO PORTRAITS

The winners of our latest contest with Photocrowd have been revealed

For our latest competition in association with Photocrowd, we challenged you to submit your best pro portrait shots. After working through all the brilliant entries, the winners have been selected.

Both crowd-voted and expert winners will win a licence to Affinity Photo professional editing software. Congratulations to all of the winners – as usual, the standard of submitted images was high and it was tough to pick out the best ones.

1ST PLACE WINNER

Three Generations

Photographer: Sirsendu Gayen

Our comment: The premise of this image is fascinating – the passing of time through one family. We love the tonality and unconventional composition. Group portraits have to be tightly controlled and, here, the receding detail focuses attention on the largest face. Well done!
