Vivekananda College strives to emulate the teachings of Swami Vivekananda after whom the college is named. The clarion call that *Swamiji* gave to the youth to establish a brotherhood of man, irrespective of caste, creed and religion, is a motto we follow in every field. This is the vision that has made the college excel in almost every field, be it academics, cultural activities, social responsibility or sports. The primary thrust is to provide a space to both teachers and students where they can freely nurture and give shape to innovative ideas without any discrimination of any kind.

- The college lays great emphasis on Gender Equity and is one of the rare colleges in the state which boasts of having a Department of Human Rights and Women's Studies. To empower the students, Seminars/Workshops are conducted on gender-sensitization, women's health, cybercrime, etc. The college has a MOU with Prakruthi, a South Asia based NGO for conducting seminars and training students on a regular basis under the programme-YOUNG INDIA UNCHAINED. https://www.vckolkata63.org/mou/mou_Prakruthi.PDF
