Dear Ex-students of our college,

I am happy to announce that keeping in view the ever-increasing toughness of the competitive examinations, inability and unaffordability of the students for proper systematic guidance and training, the teachers of your college have decided to give you all much-needed systematic guidance and training for competitive examinations for all India jobs through Guidance and Training Cell of Vivekananda College, Thakurpukur. I am happier to announce that the guidance and training will be free of cost throughout the year.

Students who are willing to take guidance and training are asked to fill in the Google form on or before 05.09.2024.
